The racing violinist is flying to Britain

KUALA LUMPUR, Thurs.—A champion racing driver who is also an accomplished violinist will fly to Britain on Sunday to take a diploma in education for teaching music.

He is Mr. Philip W. H. Soo, who won the recent Singapore Grand Prix for saloons and tourers driving a Jaguar.

Philip is the second son of Dr. H. M. Soo, a retired Kuala Lumpur practitioner. He plans to enrol for his two-year diploma course at either Trent Park College or Bretton Hall, near Wakefield.

In 1958, he graduated from Melbourne University with a diploma in music. For the past 18 months he has been teaching in a music school.

He told the Straits Times today: "My interests are in violin and piano."

After his course in Britain Mr. Philip Soo hopes to return to Malaya and join the education service as a music tutor.
